

## The Terry Price Youth Achievement Award

Llanedi Community Council wishes to recognise and celebrate the achievements of young people who reside within its area of responsibility – the villages of Tycroes, Llanedi, Fforest and Hendy (including Talyclun). The Council has, therefore, established an award which will be given annually to a young person, under the age of 25, who is considered to be worthy of recognition for his or her personal achievement.

The award may be given for significant personal achievement in any field, including (but not limited to) the following:-

**Sport:** including all team games, athletics, individual games or activities (e.g. golf, angling), in short anything which is recognised as a competitive sporting activity.

**Creative and Expressive Arts:** including drama, writing, music, art, crafts and any other creative activity.

**Social, Environmental and Community Activities:** including activities which improve the local environment and the lives of people living in the community (e.g. a single act or course of action involving help or kindness to others, such as aiding the infirm or disadvantaged or caring for a disabled family member).

**Academic Success:** including outstanding achievement in public examinations or other comparable measures of success and significant progress in overcoming particular personal difficulties, such as poor health, disability or other disadvantages and barriers to progress.
